Welcome to the Amesbury Public Schools!

AFT Amesbury is a union of approximately 300 Teachers, Nurses, Counselors, Social Workers, Paraprofessionals, Tutors, and Multi-Purpose Facilities Technicians committed to the promise of quality public education for all the children of Amesbury. We are a "Union of Professionals", and we are committed to each other!

As a union, we work hard to serve our students, the City of Amesbury, and our members. We fight for public schools that are clean, safe, welcoming places for teaching and learning, and we fight to ensure that teachers and school support staff are well-prepared, are supported, have manageable class sizes and workloads, and have time to collaborate to meet the needs of every child. We demand our children have an engaging curriculum that focuses on teaching and learning, not testing, and includes art, music and the sciences. By uniting our voices and joining together around shared values and common goals, we can help the Amesbury Public Schools become the centers of our community, secure a voice and respect for those closest to the classroom, and fulfill public education's purpose as a propeller of our economy, an anchor of democracy, and a gateway to racial, social and economic justice.

If you have any questions at all about AFT Amesbury, please contact one of us at any time – we're here to help – and we encourage you to join us!

Welcome to a very special district!

Sincerely,

Cynthia Yetman, President

James Queenan, Treasurer
